

# Minahil Afzaal

## FRONT END DEVELOPER

---

**Phone:**

03164899196

**Email:**

afzaalminahil0@gmail.com

**Address:**

Shahdara

### PROFESSIONAL SUMMARY

*Passionate web developer skilled in crafting responsive and user-friendly websites as well as dynamic web applications. Focus on writing clean, maintainable code with attention to detail in both design and functionality. Experienced in building modern UIs, integrating APIs, and ensuring optimized performance across all devices. Constantly learning new technologies to deliver creative and efficient web solutions.*

**LinkedIn:** <https://www.linkedin.com/in/minahil-afzaal-422b622b7>

**GitHub:** [github.com/minahil-1234](https://github.com/minahil-1234)

### SKILLS

- **Frontend:** React.js, JavaScript, HTML, CSS, Tailwind CSS, Bootstrap
- **API Integration:** REST APIs, JSON
- **CMS:** WordPress Theme Customization, Plugin Integration
- **Design Tools:** Canva, Figma (basic UI/UX)
- **Version Control:** Git, GitHub
- **Soft Skills:** Problem-solving, communication, teamwork, adaptability

### PROJECTS

**Personal Portfolio:**

A responsive and modern personal website showcasing my projects, contact info, and design approach.

**Tech Stack:** React, Tailwind CSS

**Link:** [minahilportfolio.site](https://minahilportfolio.site)

**Skypass Holidays (React + API Integration)**

A travel-based platform built in React featuring dynamic data fetching using REST APIs. Integrated flight and destination data with clean, responsive UI design.

**Tech Stack:** React.js, Tailwind CSS, Axios

**Link:** [skypassholiday.site](https://skypassholiday.site)

---

## **Admin Dashboard (React)**

An interactive dashboard with reusable React components and responsive layout for managing data views.

**Tech Stack:** React.js, Tailwind CSS

**Link:** [dashboarddemo.site](https://dashboarddemo.site)

## **WORK EXPERIENCE**

### **Front-End Web Developer | Yodoo (1.5 years)**

Designed and developed responsive, user-friendly websites using React.js, Tailwind CSS, and Bootstrap. Integrated REST APIs for dynamic data handling, ensured optimized performance, and collaborated closely with design and backend teams to deliver high-quality web solutions.

## **EDUCATION**

### **University of Engineering and Technology**

Bachelor in Business and Information Technology (BBIT)

Covered key subjects such as software development, database management, business management, marketing, and project management.

### **Government College**

F.Sc. Pre-Engineering

### **Al-Noor Group of Schools**

Matriculation (Science)

## **INTERESTS**

Actively learning backend development to strengthen my understanding of server-side programming, RESTful APIs, and database connectivity using Node.js and Express. My goal is to expand into full-stack web development.
